

## *Terra American Bistro* Dine to Donate Program

Thank you for your interest in Terra's Dine to Donate Fundraiser nights. When your friends, family and other supporters come to Terra on your fundraiser date, they simply present your physical or digital flyer the time of ordering, and we'll donate **15%** of the proceeds from that order to your school or nonprofit. The **15%** donation is good for every dine-in or take-out order. Terra will email a digital flyer for you to use digitally or to pass out. Your supporters come in on the designated evening and present the flyer. At the end of the night we add up all food and drink sales from the tables that presented a physical or digital flyer. All non-profit organizations, churches, temples, schools, etc., are invited to have your next fundraiser with us.

Here's how it works:

- **Step 1**  
Print the [reservation form](#).
- **Step 2**  
Pick two preferred dates for your fundraiser and complete the form. Fundraisers are held on Sunday, Tuesday or Wednesday nights from 4:30pm-8:00pm.
- **Step 3**  
Email your reservation form to [info@terrasd.com](mailto:info@terrasd.com). Your date requests will be submitted to the Terra office for approval. Your final date will be approved and you will be sent a marketing flyer announcing the date, time and specifics of your fundraiser.
- **Step 4**  
Copy the flyer and distribute it to as many people as possible within and outside of your organization! Post it on your web site and market the heck out of your night!
- **Step 5**  
Enjoy a delicious meal with friends and know that you are helping a good cause with **15% of each bill donated to your organization**. You will receive your check approximately 2 weeks after the event.
